Project Story

The motto of 4-H is “learn by doing.” Each year we learn something new by participating in a 4-H project. Please write a story that explains:

- What you have learned
- New skills that you have gained over the past 4-H year.
- What goal(s) did you accomplish? What did you do to help you accomplish your goal(s)?
- If you did not accomplish a goal, why?
- How did you make your club better?
