4-H Extension Addendum to Club Rules | 2018

In addition to all Club Rules, the Extension Office requires that all 4-H members do the following in order to show at the Loudoun County Fair and/or receive a free admission armband:

1. Complete a project book for each club they are enrolled and active in. Completed project books must be turned in to the Extension Office by **5:00 PM on Friday, October 12th** and **must** receive a 75% minimum score (red ribbon) in order to show at the following year's Fair. Even if the 4-Her does not show at the current fair, a project book must still be submitted in order to qualify for the following year.
    a. Members are considered active if they are officially enrolled in a club and have attended at least 3 of that club's meetings between October 1, 2017 and September 30, 2018.

2. Complete one Fair Qualifier prior to July 1st of the Fair year. Please visit http://loudoun4h.weebly.com/loco-4-h-and-the-loco-fair.html to see the official list of Fair Qualifiers.

3. Attend one of the mandatory Fair Cleanup dates in July.

4. Exhibitors in the Beef, Goat, Sheep and Swine Clubs who are planning **to auction** market animals at the Fair must attend a Youth Meat Quality Assurance certification workshop. If the YMQA workshop attended was not held in Loudoun County, 4-H members must present written proof of participation from their workshop's host.

5. Exhibitors of all animal projects must submit an Animal Care & Housing form to the Extension Office prior to the listed deadlines. The form can be found at: http://loudoun4h.weebly.com/4-h-club-rules--loudoun-county-fair-rules.html.

6. Cloverbud members must complete the above requirements, with the exception of the project book.
