Instructions for Using this Record Book

This record is designed to be the place for you to keep records on your animal projects. Read through the book carefully and complete all sections requested (for example, project planning, feed and health care purchases, supplies and tools, results from shows, and a financial summary). Do not leave any sections blank unless they do not relate to your project animal. It is important that you do your own work, but ask your 4-H leader, Extension Agent, parents, or other 4-H volunteers for help when you do not understand something.

This project record book is for record-keeping only. Information about how to raise these animals can be found in various 4-H Project Guides. Copies of project guides may be obtained from your local Virginia Cooperative Extension office.

1. Read through this book and familiarize yourself with the kinds of records you will need and where information should be recorded. Discuss the book with your parent and/or 4-H leader.
2. Complete essential information when you first start your project, such as the cover page and the project planning page. Share your goals with your 4-H leader.
3. Keep your records up to date. Record information as it occurs. Consider setting aside specific times during the project when you will work on your record book.
4. Write neatly and legibly. Use only one color ink.
5. Include at least one photograph of you with your project animal, but do not include more than two pages of photos. Additional clippings should be displayed in a scrapbook, not this record book.
6. Maintain your book in a 3-ring notebook/binder or folder.
7. Write a project story that captures what happened during your project. Discuss your goals, your activities, your challenges, and your accomplishments. Project stories must be at least five sentences; more experienced 4-H members' stories should be more in depth.

Animal Care and Management

Your project requires regular care and management. List the things necessary to take care of your project animal(s).

Include the following:

- Feeding and watering practices
- Grooming (clipping, trimming, foot care, etc.....)
- Health practices and medicines
- General Management (cleaning living area and feed pans, halter breaking, training, etc...)
-

Daily—Things done every day
<i>Example: fed animal , gave fresh water, spent time with animal</i>
Weekly—Things done once a week
<i>Example: Cleaned feed and water containers, gave new bedding</i>
Monthly—Things done once a month
<i>Example: Groomed my animal</i>
Yearly—Things done one time or occasionally throughout the year
<i>Example: Trimmed feet</i>

Equipment and Supply Inventory

At the beginning of the 4-H year take an inventory of what equipment and supplies are on hand.

Add new equipment or supplies you purchase to the list. We realize that often time equipment is shared between 4-H members. Please estimate a cost value for any shared equipment.

(Ex. 1 set of clippers shared between 3 members $\$250/3 = 83.00/\text{each}$)

Amount & Kind	Already Owned or Purchased	Purchase Price
<i>Example: 3 rope halters</i>	<i>Already Owned</i>	
<i>1 feed pan</i>	<i>Purchased</i>	<i>\$10.00</i>
Total		

Note: Juniors are asked to only record the beginning value of equipment. Age and wear and tear decrease an item's value over time, but this occurrence, know as depreciation, is covered in the senior record book only

Feed Records and Expenses

Keeping good feed records is important. Good records show your expenses for feed and what kind of feed you use for your project. A good practice is to enter your feed expenses when you buy feed. A good way to keep track of feed use is to put a calendar in the barn and write down the amount and the kind of feed used each day. At the end of the month, total each kind of feed used and its cost and record the information below. Home-raised feeds should be valued at market price - what it can be sold for.

Type and Cost of Feed Used			
Date of Purchase	Amount (lbs.)	Type of Feed (milk replacer, grain mix , hay, pasture, silage, salt, mineral, supplement)	Cost or Value
Total Lbs.		Total Cost	\$

How to Calculate Monthly Cost of Feeds

(complete this page for one animal)

Grain

Cost of a bag of grain: \$ _____ ÷ _____ lbs in the bag = \$ _____ per lb

Amount fed: _____ lbs per day X _____ days (in month) = _____ lbs

Monthly cost of grain: \$ _____ X _____ lbs =

(Cost per lb grain) (Total amount fed) (Monthly Cost of Grain)

Supplements (additives for increasing grain, etc..)

Cost of package: \$ _____ ÷ _____ oz or lb. in container = \$ _____ per oz or lb.

Amount fed: _____ oz or lb. per day X _____ days (in month) = _____ oz or lb.

Monthly cost of supplements: \$ _____ X _____ oz or lb. =

(Cost per oz or lb.) (Total amount fed) (Monthly cost of Supplement)

Hay

Cost of a bale of hay: \$ _____ ÷ _____ lbs per bale = \$ _____ per lb

Amount fed: _____ lbs per day X _____ days (in month) = _____ lbs

Monthly cost of hay: \$ _____ X _____ lbs =

(Cost per lb of hay) (Total amount fed) (Monthly Cost of Hay)

Feed Tag Information

Please attach a tag or label from one feed being used for your project animal. If a home-made mix is used please describe the mix on the back of this page.

1. What production level or type of animal is this feed designed for?
(*Ex. lactating animal, growing animal, etc....*)
2. What is the Crude Protein level of this feed?
3. What is the main ingredient in this feed?
(Hint: if the answer is not clear, it's probably the first ingredient listed.)
4. Is this a medicated feed?

Miscellaneous Expenses or Fees

List any expenses that do not fit into one of the previous categories. Examples: Entry fees, transportation, breed association dues, registration papers, etc.

Date	Description	Cost \$
<i>Example 7/1</i>	<i>County Fair Entry Fees</i>	<i>\$40.00</i>
Total Miscellaneous Expenses		\$

Miscellaneous Income

4-H Story

The motto of 4-H is "learn by doing". Each year we learn something new by participating in a 4-H project. Please write a story that explains:

- *What you have learned*
- *New skills you have gained over this past year in 4-H*
- *What goals you accomplished. If you accomplished your goals, how did you do so?*

Other Examples that you may consider writing about include: Something that happened that was funny, sad or exciting, Challenges you faced and how you overcame them, Who helped you with your project and how they contributed, Things you are most proud of. Feel free to relate your 4-H experience to other parts of your life (school, home, family, friends, etc..). Stories must be at least five sentences.

Project Photos

**** Please limit yourself to a maximum of two photo pages. ****
Additional memorabilia should be displayed in a scrapbook or 4-H portfolio.

**Optional—Record Book Scorecard*

4-H Members: Leave this page blank.

The person judging your book will complete the score card.
