## My 4-H Project Story

The motto of 4-H is “learn by doing.” Each year we learn something new by participating in a 4-H project. This story should summarize your experiences and results of your rabbit or cavy project for this 4-H year. Please write a report that explains:

- ***What your goals were for this year, as listed on your Project Goals page(s)?***
- ***What work or activities did you do to achieve your goals?***
- ***Describe any challenges or setbacks you faced while working on your goals.***
- ***Did you achieve some or all of your goals?***
- ***What could you do differently next year?***

## Activities other than 4-H

What other clubs or groups did you belong to this year? (school, community, church, etc...)

**List any activities you participated in for scouts, sports groups, church, community service, etc. that were not affiliated with 4-H.**
